

Blue Crue Softball Dads

What is a Blue Crue Dad?

Blue Crue Softball Dads are dad's whose daughters play for the East Lake High School Varsity or Junior Varsity Softball team. Blue Crue Dads represent ELHS in the stands and encourage good sportsmanship of all players. Blue Crue Dads always support their girls on and off the softball field with positivity and have the upmost respect for the coaches leading their daughters and umpires calling the game. Blue Crue Dads assist the softball program based on the needs of the coaches. Blue Crue Dads have a little fun and get involved with theme nights at home games.
